

## Torrance Takes 5-2 Victory From Narbonne

Luckily scoring five runs off two hits, the Torrance high school Tartars Friday downed the invading Narbonne Gauchos in the Torrance city park 5-2, during the game of questionable decisions.

Torrance led off the scoring in the first inning when Bill Stanley took a walk from Pitcher Barnes McLaughlin, then cleverly stole his way around the sacks while his team mates faked at the plate.

Narbonne came up for scoring in the third inning when Clyde Garrison struck out a long two-bagger which resulted in a marker along with big Bill Kelley who tallied on Jack Turner's error at first. The Gauchos threatened to keep on scoring during this inning until stopped by the umpire.

In the fourth, the Tartars scored three runs on one hit. Pete Dodos, veteran Torrance second baseman, scored the lone tally in the sixth.

**Batteries:** Torrance: Jim Myers and Gil Bennett. Narbonne: Barnes McLaughlin and Bill Kelley.

In Tuesday's game between Torrance and Banning the Tartars downed the Pilots on Banning Field by a score of 4-3. Corky Johnson allowed the locals 7 hits with "Arky" Joe Waters limiting the Pilots to six. Pete Dodos, Torrance 2nd baseman, led the batting with one and two bagger for four trips to the platter.

Jarratt, Stanley and Schwenk scored the Tartar runs.

**Batteries:** Torrance: Waters and Bennett. Banning: Johnson and Avila.

Tomorrow's game between Torrance and San Pedro which will be played in the Torrance City Park may be the deciding factor in final league play results.

## Four Torrance Golfers Qualify For Champ Flight

Four Torrance golfers qualified for the championship flight of the annual Palos Verdes Club championship golf tournament which now is under way at the hillside layout.

George Frills, defending champion, headed the list of local qualifiers with Harry Croft, Ralph Riggs and Lloyd Hill also making the scratch flight.

Fritts meets Hill in the first round of play. Croft opposes Preston Roberts of Wilmington and Riggs meets Jim Huntley of Los Angeles.

## GaUCHO-Tartar Netmen Down Pilots-Pirates

The Torrance high school varsity tennis squad defeated San Pedro 6-1 in Marine league matches played at Peck Park Thursday.

Eddie Stewart, the Bucs No. 1 singles entry, scored the only triumph for the locals downing Eddie Page (T), 6-1, 6-3; Ken Kesson (T) defeated Russ Greengard (SP), 7-5, 6-4; Herb Curley (T) defeated Tony Trutanich (SP), 6-4, 6-2; Bill Stanley (T) defeated Leo Marich (SP), 6-0, 6-2; Bud Smith (T) defeated Monte Bliss (SP), 6-1, 6-2.

**Boating Allowed On Two County Reservoirs**

In an effort to clear confusion concerning fishing privileges, Supervisor William A. Smith said today that boating on two county reservoirs is now permitted by the Los Angeles County Flood Control district.

Boating is permitted at Puddingstone reservoir south of San Dimas, and at San Gabriel dam No. 1, 11 miles north of Azusa, but a \$5 a year permit is required. Fishing from the shore is permitted free of county charge, but a state license is imperative for all fishing.

Boating permits may be obtained at flood control district headquarters, 751 S. Figueroa st. Boating hours are from 5 a. m. to 8 p. m. and boats must be equipped with a reasonable number of safety devices, such as kapok life jackets or kapok-filled cushions. Canoes, kayaks, rubber rafts or emergency devices are not permitted on either of the two reservoirs.

**TARTAR BATTERIES . . .** These two smiling gents are Torrance high school's promise to a league championship, with, of course, the help of an excellent team. Pictured, left to right, are "Arky" Joe Waters, Tartar hurler from just south of the Ozarks, and Gil Bennett, who tops the Marine League's catchers. Between the two and peering from the dugout is Jim Myers, who is another Tartar threat on the rubber and who figures he should be in the picture.

## STRIPTEEES

By John P. Stripling

"With, or without an Orchid to friend or foe, I'll Tee an opinion wherever it may go."

**FIGURES ON THE P. V. GREEN . . .** According to the Palos Verdes Golf Club's official Bull-E-Ten, Mrs. Mildred Dilley, who shot 81 from the men's tees more than ten years ago, recently turned in a 41-39 from the women's tees, and Marjorie Sullivan, a newcomer to the P. V. links with a 38 handicap, rapped in a 49 on the front side.

Now, who said the high handicap golfers, who are unable to hit long tee shots, and women nibble welders, cannot possibly hope to score on the Palos Verdes course?

**HAL JACKSON** and his Niblick . . . Reports from the Fresno Cardinals of the California State Baseball League are that Torrance's highly battle-starred Navy hero, Hal Jackson, who was washed up on the shores of Guadalcanal four days prior to the time the U. S. Marines landed, is the top hitter in the Cal. league.

The one time Torrance "bad boy" has a .462 batting average for the first four games played in the league. Our informer said that the former TAI first sacker walloped a 350-foot home run in the third game of the series in addition to setting a record for 17 put-outs at first base during one ball game.

This same informer revealed to us that the various clubs in the league were anxious to see Torrance and Long Beach in the line-up next year.

Now, there is an idea.

**SPARK PLUG OF THE TARTAR DIAMOND . . .** That snappy little second sacker, who covers all over the infield while guarding his second base post, who never fails to appear in a ball game without wearing his weather beaten orange cap, is 18-year-old Pete Dodos playing his last high school game this season.

Win or lose, Pete fights all the way with a veteran knuck of know-how. A sure-fire base stealer of the Pepper Martin caliber, he is equalled only by his team mate Bill Stanley in Marine League sack-copping.

Pete lives for nothing else but baseball, with the sole ambition of making this game his career. Ten more pounds added to his wiry frame would make him a dead clinch for the minors right now because he can and does sock that horsehide with a viciousness that tops his vetter weight.

We vote Pete the Marine League's most valuable infielder.

## Softball League In Another Twin Bill Tonight

The Torrance Industrial Softball League goes into its third double-header tonight in the Torrance City Park with Mead-Johnson against Sheet Trucking and Shepherd Brothers teamed with the Ravens.

Tomorrow night National Supply Co. plays Goodyear and Shell Chemical takes on Columbia Steel Co.

May 22: Columbia Steel Co. vs. Shepherd Brothers and National Supply vs. Shell Chemical.

## Central Bowling Teams Struggle In Mixed Meet

The Central Warehouse and Storage Co. wound up the first half of its Mixed Bowling League last week and will enter the second half of its summer league this week.

Of the ten teams in the league for first place, team number seven with C. Baker, H. Hogan, E. Richardson, I. Baker and D. Hogan enjoy the top rung in the inter-company rolls.

Team number nine, which is sweating it out in the cellar, promises to elevate its position to the first layer category.

## Jim Jackson Scores Mighty Strike At State

After two weeks of spring Torrance high school student training, Jim Jackson, former Torrance high school student who never played football as a prep, has been so outstanding at San Jose State College that Head Coach Bill Hubbard announced last week he had received the opening nod in the Spartan backfield.

Jim is the only candidate Hubbard has selected for a first string berth.

Hubbard said Jackson is destined to become one of College's greatest players. He is the brother of Harold Jackson, first baseman for the Fresno Cardinals.

## Mohicans Down Unbeaten Pedro Pilots 5-4

The Gardena Mohicans had the Indian sign on the ever-winning San Pedro Pirates Tuesday in Torrance City Park when they dropped their betters by a score of 5-4.

**Batteries:** Gardena: Blake and Billingsly. San Pedro: Henton, Nicholson, Saggiari and Gugliemoh.

**TRAFFIC FATALITIES**

If the present rate of traffic fatalities continues, 38,000 persons will be killed this year, according to the National Safety Council.

## Warrior And Powell Matched At Bowl Friday

Two of the most promising heavyweights in Southern California, both of whom are eyeing pro contracts and both boasting terrific kayo punches, will headline the amateur fight show at the Wilmington Bowl tomorrow (Friday) night. The battle, rated one of the greatest "naturals" in the amateurs today, brings out Brooks Powell of San Pedro against Bill Warrior of Mike's A. C. of Watts.

Both boys have just about run out of available opponents to give the sleeping powder, both have offers and are ready to turn pro—and it's a good bet that the winner will do so within the next few weeks. At any rate, they expect to give the Bowl its best heavyweight fight in years.

Promoter-matchmaker Joe Craig, who has jammed more than 2500 into the Bowl arena in the past two weeks for grand all-action cards, has booked another strong supporting show, the first preliminary to start at 8:30 p. m.

The semi-windup will feature Wilmington's Tony Contreras, the unorthodox middleweight who has won his last nine fights, six by kayo, against Eddie Diggs,
